

LIFECYCLE OF A DOCUMENT

Recycling bins may be helping the environment, but these bins create a hotbed of opportunity for white-collar criminals by leaving information exposed and at risk.

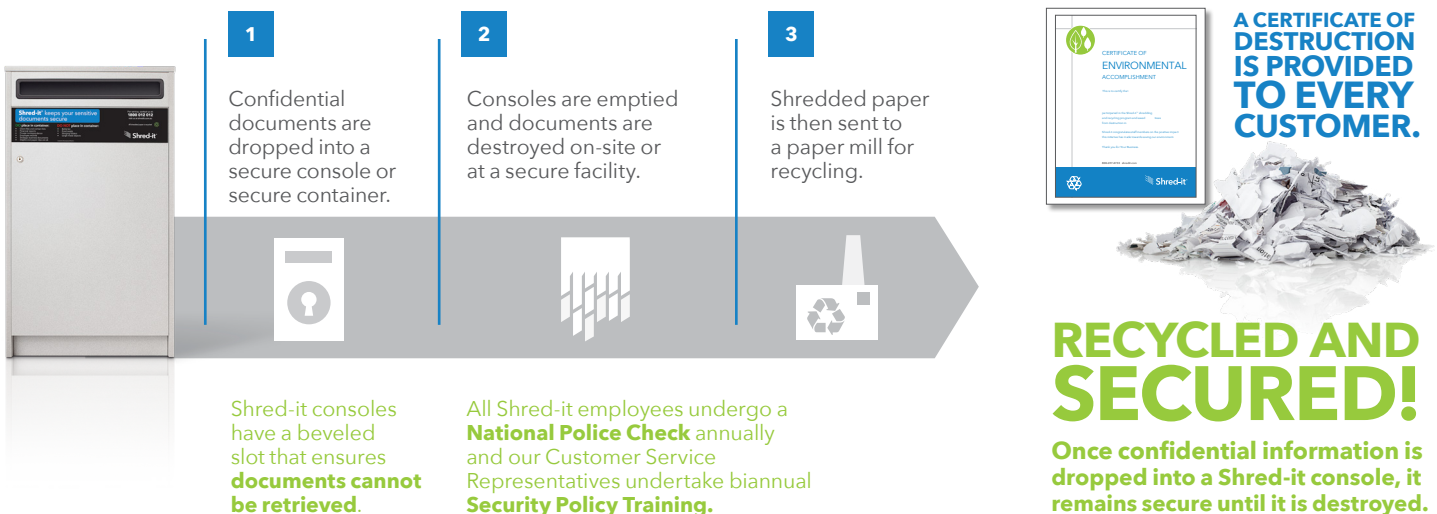

By using a secure information destruction provider, information is destroyed sooner, minimising potential for security breaches - and is still 100% recycled.

TRADITIONAL DOCUMENT DISPOSAL PROCESS WITH A RECYCLING BIN

THE SHRED-IT® SECURE DOCUMENT DESTRUCTION PROCESS

1. 2016 research at <http://www.statisticbrain.com/paper-use-statistics>
